PRIZES

There will be 1 Grand Prize consisting of a 3 day/2 night All Inclusive Whitewater Rafting & Glamping Trip for 4 people at REO Rafting Resort in B.C. awarded at the end of the Contest Period. The Grand Prize will be awarded in the form of a REO Rafting Resort credit. Total value of the grand prize is approximately \$2,400.00 CAD.

All income and other taxes relating to the prize are the sole responsibilities of the winner. Prizes must be accepted by the winner as awarded, and are not transferable. No cash value will be given for a prize and no substitutions will be made for a prize (and without limiting the foregoing, prizes may not be sold or traded). In the event of the unavailability of all or any component or portion of the prize, the Sponsor reserves the right to substitute a prize, or a component or portion of the prize, of equal or greater value. Prize arrangements will be made directly with the winners and the prize must be accepted as awarded on an "as is" basis and is non-transferable. There will be no cash or other substitution for the prize except at the option of Hey Y'all! Southern Style Hard Iced Tea Company, in the event of unavailability. From the date of notification, the entrants will have until August 5th, 2022 to claim their prize at which point it will become null and void.

METHOD OF SELECTION

A random selection to determine the potential prize winner will be made by the Sponsor (either by one of its employees or, at its option, by an independent judging organization) in Vancouver, British Columbia, on Tuesday, August 2nd, 2022 at approximately 10:00 a.m. (PST), from among all eligible entries received. The method of selection may, at the Sponsor's discretion, be through a computer-generated selection from an electronic database containing all of the eligible entries, or in such other manner as the Sponsor reasonably determines such that all eligible entries will have an equal chance of being selected. The person conducting the random selection will act as judge and their decisions as to eligibility and the selection process to be employed will be final. The entrant(s) whose entry is so selected must, in order to become the winner, correctly answer, unaided, a mathematical skill-testing question, complete, sign and return the Declaration and Release described below, and comply with all of the other Contest rules. If they fail to do so then another random selection of a potential winner will be conducted, and this process will be repeated until each winner is declared.

ODDS

The odds of being selected as a potential winner will depend upon the total number of eligible entries received prior to the close of the Contest.
